

## Notice of Move Out – Important Information

Dear Resident:

Based on our records, we show that you have not decided to renew your contract with us for next year. If this is incorrect, please let us know immediately. Otherwise, we hope that you have enjoyed your time with us, and we wish you the best of luck!

In preparation for your move-out this year, and to make things as smooth as possible for everyone concerned, please familiarize yourself with the detailed information that follows as well as our **MOVE-OUT PROCEDURES**. Due to the number of residents involved, we cannot deviate from these procedures.

1. Move-out inspections will be performed on an “Appointment Only” basis. Please call or stop by the office to schedule your move-out inspection at least two weeks prior to your move-out date. All move-out inspections must be completed **by July 21<sup>st</sup>**. Please note that availability for appointments will be extremely limited. Should you make an appointment, you will meet a designated staff member at your unit at the time of your appointment. All of your belongings must be removed at this time as you will no longer have access to the unit. If more than one person will be moving out of your unit, coordinate your schedules so that we can inspect all bedrooms at the same time.
2. If you choose not to schedule an appointment for move-out, please be sure to return your unit key, mailbox key, and parking pass to the office **no later than 12:00PM on July 31, 2023**. **If you do not check out by this deadline, you will be considered a “Holdover” and will be assessed charges and subject to legal action.**
3. The entire apartment will be inspected even if only one person is leaving. The entire apartment must be cleaned. The common area will be the responsibility of both the outgoing and renewing residents. Please see our **CLEANING PROCEDURES** for more information.
4. Charges assessed for cleaning or damages to the common areas (living/dining areas, kitchen, shared vanity and bath areas, walls, laundry rooms and closets) will be **divided equally among all apartment mates**. Please review our **ESTIMATED CHARGE LIST** for details.
5. Each resident will be held responsible for cleaning or damages in his or her bedroom. Should there be any animal damage in the common area, it will be billed back to the animal owner on file. If the animal is not registered with the office, those charges will be distributed evenly. We encourage you to verify that all animals in your unit are registered to ensure that charges are distributed appropriately.

6. You will not be held accountable for any discrepancies (exceptions) that were noted on your move-in inspection unless these items were taken care of by management and occurred again after that time.
7. Any outstanding balances owed must be paid at the time of move-out. Pursuant to the lease agreement, any outstanding balance will cause that portion of the Security Deposit, if applicable, to be forfeited.
8. Please update your address through your ResidentPortal to the address you would like your Financial Move-Out Statement to be sent. **This does not forward your personal mail, this is only for the purpose to send you your Financial Move Out Statement/Security Deposit.**
  - a. **Change of Address:** Go to the Post office to fill out your change of address form or go online to [www.usps.com](http://www.usps.com): Forward Mail option: Change of Address. There is a \$1 charge to do this online, but your mail will be sent piece by piece to the new address.  
\*\*Discontinue newspaper subscriptions and any utility accounts you may have.
9. Any balance due will be assessed on your Financial Move-Out Statement which you will receive via mail to the forwarding address provided.
10. If you are transferring to a different unit on property, you will be notified directly of your transfer dates, with most direct transfers occurring during the first week of August. You will need to be prepared to transfer from your current unit to your new unit within a 24-hour period. Your current unit must be inspection-ready by the date assigned. Any damages assessed will be charged to your account and due upon receipt.
11. If you turn your keys into the leasing office before your lease end date, please be advised that this does not relinquish you from your lease agreement duties. You are still responsible for paying for utilities (if applicable), as well as fulfilling your lease agreement payments. Each roommate will also be responsible equally for any charges to the common area up until the end of the lease agreement. We will not conduct a move-out inspection until the end of the lease agreement.
12. A donation zone for gently used pots, pans, clothing, furniture, and non-perishable food items and cleaning supplies will be available in the lobby beginning on July 15th. **DO NOT DONATE:** Bedding, mattress pads, opened food items, used trash cans, or broken items.
13. Please remember that only trash in 13-gallon trash bags may be placed down the chutes, larger trash items will need to be thrown away in the dumpster on the 1st floor in the parking garage, additional trash locations will be available on the 1st floor in the event the dumpsters fill faster than anticipated. Items left in the hallway will be considered trash and will be thrown away.

14. Uhauls are not permitted in the garage at any time due to low clearance. If you illegally enter our garage with a Uhaul or other similar sized moving trucks, you will be responsible for all sprinkler head, pipe, or concrete damage. Parking space for Uhauls can be found in the front of the building or side on a first come, first served basis. The property is not responsible for any ticketing, towing, etc on city streets, so please be sure to follow instructions on all street signs.
15. The property will not write guest parking passes for additional vehicles needed for move-out due to limited parking available in the garage.
16. Please remember that while you may be moving out, over half of the building is remaining as residents so please do not leave trash, cardboard, etc. around the building for other residents to have to see and walk around.

It has been a joy serving you! We hope to see you again soon.

Best regards, Your Management Team

## CLEANING PROCEDURES

### **Entry:**

### **Kitchen:**

#### **A. Stove/Oven/Microwave:**

- Thoroughly clean exterior of oven. Don't forget the oven drawer!
- Use oven cleaner to clean interior of oven. Easy-Off Fume Free is an easy, odorless product that works well for this. You may have to do some extra cleaning for stubborn spills. If so, please use a mild detergent, and/or a steel wool pad.
- Remove oven drawer – clean drawer and sweep out from under the drawer. Be careful not to wipe the ash from the oven into your clean oven drawer.
- Scour drip pans and rings with an S.O.S. pad and clean all food and spills from underneath the drip pans. (Do not use oven cleaner on the drip pans because it corrodes the surface and turns them black). New drip pans can be purchased for around \$10 if the stains cannot be removed.
- Make sure broiler pan is completely clean and placed in the bottom of the stove drawer. Easy-Off Fume Free oven cleaner works well on the broiler pan using the "cold" directions on the back of the can.
